## Position Applying

Cook/Commis

## Career Objective

To pursue a career in culinary arts and hospitality management in a prestigious and internationally known hotel, restaurant, catering institution and cruise ships, and become a respectable professional Chef in the course of my employment and dedicated service to the institution.

## Background

I am a very skilled worker who has been working in the hospitality industry for several years. Being in the hospitality industry brought out my skills related to the work and tasks that is given to me. It has helped me develop my abilities and work ethics. I have great interest and passion for cooking, and the experience that I will earn in working in a prestigious hotel and restaurant management institution will support to attain my goal for my career.

## Education

### 2006 – 2007
